V-Ray Scatter Plug-in for SketchUp 2017 Free Download May 9, 2020
The V-Ray 3.0 Scatter Plug-in adds support for. Create your own custom scenery using dynamic V-Ray. The free version is compatible with. Free Download: Category:3D rendering softwareQ: Erro com campo date recebendo Novembro em algumas situações. Devido a atualização do registro? Hoje eu comecei a estudar para o ingresso no curso de mecânica de veículos e,

por alguns problemas de arquitetura, me deparei com um monte de erro que eu nunca tinha enfrentado antes por conta de dar o tipo `Mês` no `datetime` e recebendo a mensagem: `Conversion failed when converting date and/or time from character string`. Por fim, testei e descobri que todas as datas estão corretas e dando como corretas como: `INSERT INTO `table` (`col1`, `col2`, `col3`, `datetime`) VALUES ('col1', 'col2', 'col3', '01/11/2019')` Mas pela maior parte das vezes eu recebo esse erro. Alguém sabe dizer o que acontece?

A: Eu quase não entendi a sua questão. Achei que fosse de um tipo de data específico, sem querer estar errado. Mas no MySQL eu uso esse método para a validação do tipo e data corretos: `SELECT IF (TYPEOID(col)=10,col,NULL) AS ident_cronico FROM tabela WHERE col"` Ali ele retorna um inteiro um para o tipo de data correto, 0 para inválido e -1 para erro de desconhecimento.
