This “HyperMotion Technology” is built directly into the engine, providing more realistic and responsive gameplay. Players will feel the intensity of a real-life football match through their interaction with real-world physics, player movement, ball movement, realistic visuals, and in-depth gameplay. Players also have the power to change the direction of the ball by using special moves, including the over-the-top delivery, the goal-kick and the free-kick. In FIFA 19, players have the opportunity to take shots into a world-class training setup for grassroots development. This year, they will be able to see the integration of the all-new Goalkeeper Coach with some of the newer interactive training features. New and Refined Features “Cool New Stuff” (by Phil Spencer) The FIFA Ultimate Team card game continues to evolve with new packs, EA SPORTS Moments and the introduction of free Team of the Month Club items. New Team of the Month Club Items Each month, a new game-changing Team of the Month will join the award-winning FIFA Ultimate Team card game. Playing the FIFA Ultimate Team card game within the next month will earn you access to that month’s Team of the Month. Introducing the FIFA Ultimate Team card game, a free-to-play digital game that combines collectible cards, virtual card packs and gameplay, into a digital card game. With FIFA Ultimate Team, you can play as your favorite players, manage your squad and collect gear in your own way. EA SPORTS Moments A new set of in-game videos will offer commentary from some of the biggest names in world sports. The EA SPORTS Moments Videos will continue to be made available on FIFA.com. EA SPORTS MVP EA SPORTS will introduce a new award: the EA SPORTS MVP. The EA SPORTS MVP award will recognize the FIFA 20 Player of the Year and is given to the FIFA 20 Player of the Year. The Award will be presented to the FIFA 20 Player of the Year at the FIFA 20 Awards Ceremony. FIFA 20 is the fastest-selling console FIFA title in company history and EA SPORTS announced at the recent E3 that it already broke the top 10 best-selling game franchises of all time on PS4 and Xbox One. In a statement, Player Impression leader Jon Champion said: This new FIFA game is already a worthy successor to the most successful console FIFA game

Colour Commentary + New Commentary Features FIFA 22 promises to add significant new commentary, quality content and a variety of new commentary features to the game. "FIFA 22 is our biggest commentary overhaul yet and as a result, the new 'Long Speeches' and 'Features' commentator tools are a game changer. Not only does it give us the opportunity to create more unique and varied commentary for the new modes, but it is completely changing the way we look to cover key moments in matches. The personal touches that we have added to the game create more of a connection between fans and players, so that the player really becomes a part of the commentary. We will also be introducing the 'New Rules' commentator tools, which are designed to enable longer, more immersive commentary - features that the game audience will love," said Craig Eastwood, Producer at EA SPORTS.
