## Hammer Kid [Win/Mac]

**Warhammer: Chaosbane is an action role-playing game set in a dark fantasy world. Chaosbane tells the tale of Julien, a chaotic dwarf who races across the blood-soaked wastelands of the Underrealm searching for a mystical artifact that is tied to the end of the world. You must traverse the twisted landscape filled with secrets, danger and death and fight to escape the clutches of the Chaos armies before it is too late. 4 Player co-op action-roleplaying with epic scale battling, the main story is very deep and often takes place in a single location. Single player: Unleash your powers and battle it out with friends to emerge victorious! You travel the realm searching for a magical artifact that can stop the Chaos. Work alongside allies to defeat huge monsters and bosses. Explore the countryside, towns, dungeons and cities in this overgrown fantasy world. Travel across the land to discover all sorts of secrets and cut down any enemies in your way. Warhammer: Chaosbane also contains exclusive DLC which provides additional content to the main game for those who decide to purchase the DLC. DLC content**

**includes: Exclusive prequel campaign - follow yourself or one of four other characters through a story of betrayal and deceit. DLC Map - a new map to explore, fight and find secrets. DLC Boss - An additional boss to fight and complete the Story Mode DLC difficulty. New god ability - Unlock the power of the Chaos Gods! DLC Hero - New Hero with new skills and different gear. New enemies - more enemies with new special abilities. New weapons - The weapons you fight with in the game get even more powerful. New skills - a new set of skills for you to use in your battles. DLC items - A new set of items to enhance your gear. Similar Features • Deep Story - Tons of cutscenes, conversations and storytelling- especially with the four prequel characters and a general story of betrayal and deceit. • 4 Player Co-op - Unleash your powers to battle up to 4 players onscreen at the same time. • Epic Scale - Heroic battles, enemies that are massive, and dungeons that are often more than you can handle by yourself. • Classes - Your character can be any of four classes: Warrior, Mage, Cleric or Rogue. Each class has their own skill tree and unique abilities. • Customization - d41b202975**

**New Features and Scenarios**The All Masters upgrade unlocks all of the current and future Masters in Minion Masters. If you have previously purchased Masters in game with Rubies or Shards, you will be reimbursed in Rubies. The amount reimbursed is determined by the price of the Champion when you buy the All Masters Pack.

**3Fps Improvements**Minion Masters is getting an FPS overhaul. You can expect the title to feel smoother and more responsive with a smoother frame-rate.

**Skeletons** have increased hit-points. The guard-bot will now be a little less susceptible to cannon fodder. Throwing off the command of the Spirit Healer will no longer render the Spirit Healer useless.

**Spirit Healers** increase damage received from slaying enemies. The spirit healing score affects each mini-boss. Damage taken is split by the Spirit Healer and the Spirit Shearer; 50% to the Spirit Healer and 50% to the Spirit Shearer. You can remove the Spirits ability to grant magic shields.

**Spiritual Boosts** give the Spirit Healer and the Spirit Shearer additional bonus health.

**Hole Punched Spleechmaster:** Last but not least is a brand new Spleechmaster skin! This new champion
