Train thoroughly in each of four distinct training modes, so that by the time you've learned it, you've really learned it! Use trainchinese Desktop to pick from over 100,000 flashcards for your classes. Save time picking and sorting flashcards. Thousands of teachers have used flashcard programs to train their students. Now, it's your turn. Trainchinese Desktop is free, it's simple, and it's yours to do as you like! Thanks for visiting the trainchinese blog. Please leave us a comment if you've encountered any bugs, or have any suggestions for improvement. A: Yeah the trainchinese website looks interesting. I've used the program myself to help train my students in Chinese, which is one of the reasons why I don't see why somebody would want to make a flash card site that would compete with that kind of a program. Apart from that the site looks interesting. // Copyright (c) Microsoft Corporation. All rights reserved. // Licensed under the MIT License.
