In the Lands Between, rich mythology and time-honored legends are steeped into the cityscape. Since the ancient days, the legendary Elden Kingdom has ruled the Lands Between. However, ancient evils continued to rise from the ruins, an evil that has lurked in the shadow of the Elden Kingdom. You play the son of an Elden soldier who fell in battle against the forces of darkness. On the day of the major ritual commemorating the 7th anniversary of the sacrifice of his mother, a tornado revealed the truth of the darkness in the Lands Between. He and his sister then swore allegiance to the Elden Kingdom and were taught the sacred swordplay of the Elden. Then, during their training, he meets a girl who lost her parents. They made a promise to become friends and began to fight alongside one another in the Lands Between. Together, they must protect the Lands Between with the power of the Elden Ring and its magic, or else the darkness will prevail. © 2013-2016 CAVE, INC. ALL RIGHTS RESERVED. © 2014 GAINAX, LTD.
