I think it was added in error. I have read through the tag wiki for the related phrase, "unsour," and I don't think that term is relevant. (But, I could be wrong on that.) I think this tag should be removed, either replaced or retagged, or changed, in one of the following ways: Removed. Replaced with "cuisine." Replaced with a term indicating the intended audience of the site (such as "edible" for food, 6d1f23a050
