Time Saving Standards for Architectural Design Data, Seventh Edition Handbook of the Fundamentals of Architecture Donald Watson, FAIA, Editor-in-Chief Michael. O. Smith, Editor, Architect Donald Watson, FAIA, Editor-in-Chief Michael O. Smith, Editor, Architect Architecture is becoming more and more efficient to cope with changing living conditions. It also affects how we design homes and offices, transportation and public spaces. This is the time when we should be thinking about how we can save time for our projects and services. I am not saying that all architects should think about how to do this. But I think we should. dd2bc28256
