## Encino Man Espanol Latino |**VERIFIED**|

Encino Man is a mostly harmless teen comedy that accurately reflects the struggles most teens have in high school. The film launched more roles for Fraser as a bumbling action-movie hero and he pulls off the role wonderfully. Between Fraser's innocent silliness and co-star Pauly Shore's Weasel schtick, the movie's good-hearted goofiness is infectious. There's some typical teen misbehavior, but no over-the-top sexual and gross-out situations. Just mindless, silly fun from the more comically innocent early '90s.
