One game has been selected for you to try out. Please be prepared to accept your game code within 5 minutes. The world has changed - and now, with a singularity machine in our hands, the fate of the planet depends on you. Armed with your army of lions, drive your chosen vehicles to capture enemy supply depots and eliminate the enemy as fast and as hard as you can. The harder you work, the bigger your score, and there are no time limits to the game. The continuous action and tricky mechanics will keep you entertained for hours. Success is not an option - it's a must. What is Ship to Shore Free? Ship to Shore Free is a free-to-play, continuous action, arcade game for all ages. It is the result of three years of research and development work at Glu Mobile and has been developed specifically for iPhone, iPod and iPad. The game is played by seamlessly switching between two distinct gaming modes - the Campaign or the Blast. The
